Michigan State University Tornado Response Procedure
6.1

If a tornado "watch" is issued for your area, it means a tornado is possible

When a tornado "warning" is issued, it means that a tornado has been spotted or is strongly indicated on radar in the area

Go to a designated shelter area immediately

Once you have taken shelter, crouch down and make as small of a target as possible. Use something to cover your head or use your hands

Designated shelters are provided in each campus building

When the all clear has been given by DPPS, an "All Clear" will be activated throughout the campus.

Do's:

1. Stop Work
2. Shut off Equipment
3. Walk rapidly to designated areas
4. Follow instructions

Don'ts:

1. Don't Run
2. Don't cause confusion
3. Don't engage in horseplay
4. Don't leave your group
